Membership

More than an alliance

Alliott Global Alliance (AGA) brings together carefully selected, independent legal and accounting firms across more than 100 countries. Combining deep local expertise with international capability, AGA enables trusted cross-border referrals between independent firms, helping members support their clients internationally with confidence.

Together as One

AGA firms collaborate as independent practices within a connected global network. By sharing expertise and coordinating resources, we enable clients to access consistent, high-quality advice internationally, while firms retain their independence and local strength.

A growing global reputation

Recognised as an elite* global law (multidisciplinary) firm network, AGA continues to grow its international reach and capability. Our reputation is built on trusted relationships, technical excellence, and the consistent delivery of cross-border professional services.

Integrated Legal and Financial Expertise for Global Intellectual Property

In an increasingly complex intellectual property landscape, businesses need trusted partners to protect, manage, and maximise the value of their trademark and wider IP assets. With a presence in over 100 countries, Allriott Global Alliance is uniquely positioned to support the full intellectual property lifecycle by combining legal protection with financial and commercial expertise. Through our global alliance of lawyers and accountants, we help organisations safeguard, structure, value, and commercialise IP effectively across jurisdictions.

Our professionals help organisations to:

- Develop and protect trademark, patent, and wider intellectual property portfolios
- Navigate cross-border IP transactions, licensing arrangements, and commercial agreements
- Ensure compliance with international IP regulations and mitigate legal, tax, and commercial risk
- Value intellectual property assets and optimise their financial performance for reporting and strategic decision-making

By combining global reach with local expertise, we enable clients to make informed strategic decisions, safeguard intellectual property, and unlock its full commercial potential. We provide the following assistance:

Trademark & Brand Strategy

Legal protection and strategic management of trademarks and brand assets, including clearance, registration, monitoring, enforcement, and dispute resolution across jurisdictions.

Commercialisation Strategy

Structuring licensing, partnerships, and market entry strategies that convert intellectual property into scalable commercial value across multiple territories.

Portfolio Development

Building and optimising intellectual property portfolios aligned to business growth, international expansion, and investment priorities.

Strategies for Business Growth

Embedding intellectual property into corporate strategy through integrated legal and financial insight to drive long-term value and competitive advantage.

Cross-Border Transactions

Supporting international IP transactions through coordinated legal and accounting expertise, including acquisitions, assignments, restructurings, and tax-aware structuring.

Asset Valuation

Combining legal and financial expertise to assess the value of intellectual property for transactions, reporting, fundraising, and strategic planning.

Patent Strategy & Portfolio Management

End-to-end management of patent portfolios, from protection and lifecycle strategy through to commercial optimisation across jurisdictions.

Licensing & Agreements

Structuring and negotiating IP agreements to ensure compliant, commercially effective, and tax-efficient exploitation of intellectual property.

Dispute Resolution & Enforcement

Managing IP disputes and enforcement actions globally, including litigation support, cross-border enforcement, and negotiated resolution strategies.

Risk Mitigation

Identifying and managing legal, regulatory, tax, and commercial risks across global intellectual property holdings and operations.

Global Compliance

Supporting compliance with international IP, tax, and reporting frameworks across multiple jurisdictions.
