

AGA Welcomes You to IBA Copenhagen

Together as One

Our story

Not Just an Alliance. But One Global Family

Since its establishment in 1979, Alliot Global Alliance ('AGA') has grown to become one of the world's largest multidisciplinary alliances with over 240 accounting and law firms in 300+ cities in over 100 countries. We are a kinship of professionals, supporting and learning from each other. We support each other's success with professionalism and a personal touch.

Scale Capability. Keep Control

In a rapidly changing profession, firms need more than geographical reach - they need the scale, expertise and strategic support to stay competitive and grow. Our collaborative model helps firms expand capability, access integrated legal and CPA expertise, and respond confidently to industry change, while maintaining the independence and identity that makes each firm unique.

Driving Reputation. Together as One

AGA firms work Together as One across the world, growing and evolving while retaining the independent status they value and that we champion. They are aligned in terms of the value, culture, and the entrepreneurial, medium-sized international business sector each firm serves. Recognised as an elite* global law (multidisciplinary) firm network, our reputation is built on our expanding global coverage and the consistent delivery of high-quality services worldwide.
